Message from Director—NCT

Dear NCTians,

I feel very happy to note of the in house half yearly newsletter being brought out at Narmada Clean Tech.

In house newsletter is a powerful tool in any company which reduces the distance between the employees and management. It can share the management ideas, present and future planning, objectives and expectations from employees in achieving it and how it can bring overall change in company's future/ prospects etc.

I also compliment NCT team led by Mr Alok Kumar as M.D of the company for doing good job and running the operations efficiently.

I urge each and everyone in NCT to contribute to the level best to make this publication a real success.

Wish you all the best, Sincerely,

Ashok Panjwani

Editor's Note

Dear Readers,

It is an immense pleasure to launch this third edition for Jan-June 2018.

It is appreciable that employees have started sharing their contribution towards success of this newsletter by providing different stories and poems.

Highlights of this period are very encouraging participation of our employees in various events specially the sports week and annual day of NCT.

A huge thank you to all the persons who contributed and participated in various events.

Best regards and enjoy reading,

Preksha Pandya, Head HR

Our Operational Excellence

"મમ્મી "

જન્મ લેવા તૈયાર એવા બાળક દ્વારા ભગવાનને પૂછવામાં આવે છે.

ભગવાન, "તેઓ મને કહે છે કે તમે આવતી કાલે મને પૃથ્વી પર મોકલી રહ્યાં છો, પણ હું કેવી રીતે એટલો નાનો અને લાચાર પૃથ્વી પર રહી શકીશ ?" ભગવાને જવાબ આપ્યો, "ઘણા એન્જલ્સ (દેવદૂતો) વચ્ચે, મેં તારા માટે એકને પસંદ કર્યું છે. જે તારા માટે રાહ જોવે છે અને એ તારી સંભાળ લેશે."

બાળકે ફરીથી ભગવાનને સંબોધ્યા અને બોલ્યો "પરંતુ મને કહો, અહીં સ્વર્ગમાં, હું બીજું તો કશું કરતો નથી પરંતુ ગાઈને, સ્મિત કરીને ગમે ત્યાં ફરી શકું છું, આટલું મારા ખુશ રહેવા માટે ઘણું છે?." ભગવાને કહ્યું "તારો દેવદૂત તારા માટે ગાશે અને દરરોજ તારા માટે સ્મિત કરશે અને તું તારા દેવદૃતનો પ્રેમ અનુભવશે અને ખુશ થશે."

"ઓહ," બાળકે , ભગવાન પર નજર કરતા પૂછ્યું, અહી તો હું તમારી સાથે વાત કરું છું, માણસો કેવી રીતે બોલે છે કે પ્રાર્થના કેવી રીતે કરે છે તે મને તો નથી આવડતું. ભગવાને બાળકના માથા પર સહેલાઇથી સ્પર્શ કર્યો અને કહ્યું, "તારો દેવદૂત તારા હાથને પોતાના હાથમાં એક સાથે મુકશે અને તને પ્રાર્થના કેવી રીતે કરવી તે શીખવશે."

બાળકે પછી પૂછ્યું, "મેં સાંભળ્યું છે કે પૃથ્વી પર દુષ્ટ છે મારું રક્ષણ કોણ કરશે ?" ભગવાને જવાબ આપ્યો, " તારો દેવદૂત પોતાના જીવને જોખમમાં મુકીને પણ તારો બચાવ કરશે, રક્ષણ કરશે."

પરંતુ, "ભગવાન હું દુ: ખી રહીશ કારણ કે હું તમને હવે જોઈ શકવાનો નથી."
"તારો દેવદૂત હંમેશા મારા વિશે તારી સાથે વાત કરશે અને મારી તરફ વળવા માટે હંમેશા તને સત્યનો માર્ગ બતાવશે. તેમ છતાં હું હંમેશા તારી સાથે રહીશ." ભગવાન જણાવ્યું. તે ક્ષણે સ્વર્ગમાં ખૂબ શાંતિ હતી, પરંતુ પૃથ્વી પરથી અવાજ પહેલાથી જ સંભળાતા હતા, અને ઉતાવળમાં બાળક સહેલાઇથી પૂછ્યું, "ઓહ, ભગવાન, જોવ હું હમણાં જ જવાનો છું, તો કૃપા કરીને મને મારા દેવદૂતનું નામ તો જણાવો."

ભગવાને પ્રેમભરી મીઠી નજરથી બાળકને જોતા તેના કાનમાં હળવેથી કહ્યું.... "અગત્યનું નથી કે તારા દેવદૂતનું નામ શું છે, તું તેને ફક્ત મમ્મી કહીને બોલાવીશ."

Highlights:

The separate Jhagadia Pipeline Project which was commissioned in December—2016, completed a continuous run of 334 days before an accident in a private plot lead to an interruption.

Congratulations

Mrs. & Mr. Prakash Patel for being blessed with son Ayansh on 22-02-2018

Mrs. & Mr. Girish Chavda for being blessed with Son Pratham on 20-06-2018

Birthday

of the Month

Jan-June 2018

બિરુદ મેળવવું છે મારે

આંખો માંથી વહેતા આંસુઓને પાંપણ પર ઝીલી
આશાનું બિરુદ મેળવવું છે મારે,|
પ્રકૃતિના રોજ આકાશમાં ફેલાતા ચિત્રોને ચોખાટામાં ગોઠવી
ચિત્રકારનું બિરુદ મેળવવું છે મારે,
સવાર સાંજના પંખીઓના કલરવને સાત સૂરોમાં ઢાળી
સંગીતકારનું બિરુદ મેળવવું છે મારે,
કલારુપી સ્ફુરણ પામતા આ વિચારોને આકાર આપી
કલાકારનું બિરુદ મેળવવું છે મારે,
અંતે એક માણસ તરીકેની ખૂટતી બધી ખોટ પૂરીને
માનવ તરીકેનું બિરુદ મેળવવું છે મારે,

Sports Week

"Sports do not build character. They reveal it." - John Wooden

Playing Chess-improves the learning, thinking, analytical power, and decision - making ability.

Goal, focus & improving concentration by playing Carrom

Reaching the target furiously and timely, the 100 mtr race enhancing body and mind fitness.

Enhancing concentration, body control, self-confidence & attention with fun-Lemon Spoon

Developing qualities like obedience, discipline, sportsmanship, and loyalty between team members.

The objective is to win by pulling the opposition through working together, encouraging true cooperation and team discipline.

Jan-June 2018

69th Republic Day & 18th Annual Day 2018

The celebrations, which coincided with the 69th Republic Day, featured solo dance, mimicry, singing and music performances by employees and their family members.

A flute is symbol of love and music, both on air by Mr. Girish Chavda

Awesome combination of NCT logo with Tiranga—rangoli 'on republic day' design by Ms. Lipsa

He is not just a mimicry artiste; He blends it with stand-up comedy. A script written by him on the burning issues of water pollution.

Dance is not just a physical phenomenon, it's a social, cultural, and historical product. Employees' children captivated the audience by their performance

Enjoyment goes far beyond, as it directly influenced the audience with his voice-Kalpesh Bhatt

Jan-June 2018

Award Ceremony

Highlight of the day was the award ceremony for honoring and appreciating employees for highest attendance & their performance in the sports events .

Jan-June 2018

World Enviornment Day

NCT celebrated 45th world environment day with the theme of Beat Plastic Pollution.

The talented participants of poster and slogan competition were awarded prizes on the occasion of 45th world environment day.

The NCT—FETP campus is a proud host of around 81,000 trees.

Jan-June 2018

Training & Development

It's important to push the boundaries and do something new. A team of Step-out practices on the ground.

The Executive team of NCT Learn with fun during the training session of 'Step-Out' The team is ready to startup some new initiatives in various fields.

Gayatri Havan is an intensive way of chanting Gayatri mantra which creates a conscious flow of subtle energy.

A Pooja Held at Jhagadia Pumping Station.

Take Care of Environment, Environment Will Take Care of Yours

Once upon a time, a boy was walking through a wood and he thought he could hear a sad cry, as though someone was crying while singing. Following the sound he came to a big, round, mysterious, grey fountain. The sad sobbing seemed to be coming from the fountain pool. The boy swept aside the pool's dirty surface water and saw a group of grey fish swimming in a slow circle through the pond. With each lap they made, their little voices opened and out came the sobbing sound.

Amused by this, the boy tried to catch one of these incredible talking fish. But when he stuck his arm into the water it turned grey right up to the elbow. As this happened, a huge sadness entered into him, and he suddenly understood how sorrowful the fish was feeling. He felt just like the earth on his arm; dirty and contaminated.

He quickly pulled his arm out of the water, and ran from that place. But the arm stayed grey, and the boy continued feeling sad. He tried so many times to cheer himself up, but nothing worked. That was, until he realised that if he were to make the Earth happy then that happiness would be, in turn, transmitted back to him, through the earth on his arm.

From then on he set about looking after the countryside. He cared for the plants, he did what he could to keep the water from being polluted, and he encouraged others to do the same. He was so successful that his hand started to recover its normal colour. When the grey had disappeared completely, he started feeling happy again, and he decided to go and visit the fountain. When he was still some way from the fountain he could hear the fish singing happy hymns, and he heard them joyfully splashing in the crystal clear waters of that magic fountain.

It was plain to see that the Earth had returned to its original happiness; and the boy felt even happier at the sight.
