

	<b>ENVIRONMENT MANAGEMENT SYSTEM POLICY</b>	DOC. NO :	NCT/MR/03
		REV NO:	00
		REV DATE:	01/03/2021
		PAGE NO:	01

We at NCT are committed to ensure Safe, Healthy & Clean Environment to the Society.

Through:

- Prevention of Pollution.
- Complying with Standard laid down by legislations & Regulations, Including prevention of Pollution.
- Dedicated and Committed employees.
- Adopting Eco-friendly technologies and effective monitoring procedures for control of waste.
- Providing frame work to set and review environmental objectives, targets and program for continual improvement.
- Achieving the whole hearted support, cooperation and participation of all member industries to meet their environmental standards.
- Continual improvement in our Environment Management system by Identifying the risk & opportunities that can affect the conformity of products and services.
