Sub: Registration as member of your company for discharge of effluent through pipeline to deep sea- Undertaking thereof.

Dear Sir,

We, M/s _____ hereby undertake that we will:

- 1) Strictly observe GPCB norms for discharge of effluent and on commissioning of the pipeline, if we found to be an erring unit, the company deserves the rights for termination of registration of our industry as member without prior notice.
- 2) **(a)** Since our water consumption is _____ KL/Month which is more than 1500 KL, we will pay equity and deposit towards operating charges as and when demanded by the Company.

(b) Since our water consumption is _____ KL/Month which is less than 1500 KL, we are not required to pay equity, whereas we will pay deposit towards operating charges before commencement of the project.
- 3) Abide by the terms and conditions regarding project operation charges and such other conditions as may be stipulated by the company from time to time.

In the event of our failure to fulfill conditions as mentioned above, registration of our industry as member of the pipeline can be terminated by the company without prior notice.

Thanking you,

Yours truly,
